

Middle School & High School Underclassmen Halaqah Waiver

We begin in the name of Allah, Creator of all things. We praise our Lord and pray that He sends peace and blessings upon our noble and beloved Prophet Muhammad (Allah bless him and give him peace) and upon his pure family and righteous companions and upon us with them and all those who follow in their footsteps.

In consideration of being allowed membership in the Muslim Community of Western Suburbs (“MCWS”) middle school educational circle and recreational gym time, the undersigned acknowledges and agrees that:

1. The risk of injury from the activities involved in this program is significant, including but not limited to the potential for permanent paralysis and death, serious injury to internal organs, musculoskeletal injuries and possible impairment to the general health and well-being of my minor child.
2. I knowingly and freely assume all responsibility for any risk of loss, property damage or personal injury that may be sustained by the minor I am a guardian of, or any loss or damage to property owned by said minor, as a result of his or her use of MCWS facilities.
3. I further agree to release and hold harmless MCWS from all claims and liabilities of any type whatsoever and for damages to, loss or destruction of any property or injury, sickness or death, which may result from the minor’s participation in MCWS activities.
4. I willingly agree on my behalf and the minor’s behalf to comply with MCWS’s rules and regulations.
5. I acknowledge that the minor is in good physical condition and do not know of any condition or reason that he or she should not participate in MCWS activities.
6. I understand that a medical examination to assure us of the minor’s physical fitness is desirable, that obtaining such an examination is my own responsibility.
7. In case, God forbid, of an emergency I hereby give authority for the ambulance services to attend to the minor’s needs.
8. I accept all risks and responsibility for my child and am responsible for medical coverage on my participant. In addition, as parent/guardian, accept risk with full knowledge that some programs require assistance of unscreened volunteers.
